We will maintain social distancing rules, sanitation techniques before and after camps, and adhere to any other CDC guidelines there are for outdoor camps. We will coach skills based on throwing, catching, hitting, defense, pitching, bunting, and game strategy. Please be sure to bring your own glove, a water bottle (or cooler with multiple waters), and a bat. We can provide a helmet if needed. Batting gloves not required. Cleats not required, but encouraged. We will move inside if we have the ability to, if there is rain in the forecast. We will group campers based on grade for the 2020-2021 school year. If your daughter has higher skills than her grade, that will be assessed by the coaches and she may be moved if there is room in a different group.
